Subject: CAMEL MENTHOL B2G1F - EXTRA!!

Attached is an updated Excel spreadsheet for distribution of the Camel Menthol B2G1F based on input received:

Note to Bruce:
I have scheduled two distributions to Hibbert for this product: 6/29/98 and 8/3/98.
There is a very good reason Hibbert was the only account to receive a double-shot on this product- their 6/29/98 distribution of cases happened to be the exact same number of residual cases - so they were 'selected'!! (Bruce, if this is a problem, let me know.)
